Park & Ride
Please note - Dartmouth is small and parking is incredibly difficult in the town. To save you lots of grief we have an excellent Park & Ride scheme at the top of town on the Totnes road into Dartmouth. Please make use of this scheme and take a leisurely bus down into our beautiful town. NB If you try to park in the town you will end up in a grumpy mood and that is not a good start to a great event. Park safe and see you there!
